

Program Sub-Committee: Entertainment

Scope: The Entertainment Committee arranges for and coordinates the entertainment during the stevne, in coordination with the Program Committee. The committee may consist of up to three members with one designated chairperson for the year. Entertainment is a sub-committee of the Program committee.

Responsibilities:

- Try to use local talent of Norwegian background. Contact local Sons of Norway groups to see what they can provide.
- Good music. Play and sing familiar Norwegian songs. Provide printed version of music for audience to sing along at any event which uses music.
- Contact potential entertainers early so that can organize their group.
- Pay them a nominal fee to cover expenses, such as mileage.
- Friday night entertainment after the evening meal should consist of music or dancing or light hearted and fun entertainment for everyone.
- Saturday Banquet - provide music or light entertainment.
- Arrange room setups with program committee to allow entertainment to be positioned where all attendees can see.
