

The Lost Lefse Recipe of Marit Nilsdatter

Here is Marit Nilsdatter's cookhouse back in Norway, before she emigrated to the Dakota Territory.

Did she make lefse here?

Did she use her mother's recipe?

Did she teach her daughters to make lefse?

I'm Mark Mortenson, Marit's G-G-grandson. I don't have Marit's lefse recipe, *BUT*...

Here I am, learning to make lefse with my friends from our Sons of Norway Lodge. My friends and I are recapturing our heritage together.
